

Handit2 Network

The Handit2 Network is a venue-based sampling promotions agency offering targeted grassroots access to over 20 million consumers in the USA and Canada. We surprise your targeted consumer in the 'real world'; that is, in brick-and-mortar environments where they live, work and play. We specialize in offering custom, measurable, solo sampling promotions via channels where influencers are part of the fabric, saving you money since hired ambassadors are not necessary.

 Hand it to Mom	 Hand it to Millennials	 Hand it to Women	 Hand it to Men	 Hand it to Seniors	 Hand it to Athletes	 Hand it to Pet Owners
